# 2019 PRE-SEASON TCC NOTEBOOK

## TCC TO HAVE NEW LOOK

The 2019 football season will mark the start of a new era of TCC football.

The league will feature seven teams in 2019 as Whitmore Lake has left the league. The Trojans were a charter member of the TCC in 1973 but have left to join Michigan Independent Athletic Association.

In 2020, Erie Mason will join the TCC as a new member to the conference. That same season, Clinton will leave the TCC and re-join the Lenawee County Athletic Association.

## PLAYOFF STREAKS

Whiteford and Clinton enter the 2018 season with matching seven-year streaks of qualifying for the state playoffs. Morenci and Summerfield had qualified four consecutive seasons before those streaks were halted last season.

Sand Creek, who returned to the playoffs in 2018, have qualified for the playoffs more than any other TCC team – 21 times.

TCC TEAM	PLAYOFFS*
Sand Creek	21
Whiteford	17
Morenci	13
Clinton	10
Summerfield	8
Whitmore Lake	8
BD	6
Britton	2
Madison	2

## COACHING CHANGES

Two new coaches are joining the TCC this season.

Morenci graduate Ryan Love is taking over as the Morenci head coach, replacing Jacob Bovee. Love had been the head coach

at Blissfield. Love went 18-24 at Blissfield, but won four playoff games and two district titles over the past two seasons. He was the 2017 Lenawee County Coach of the Year.

Alex Lipka becomes the third head coach at Summerfield in the last four years, replacing Ryan Lefevre who coached the Bulldogs for two seasons before stepping down.

The all-time league leader in coaching victories remains Ernie Ayers of Sand Creek, who coached the Aggies 38 years and finished with a league record of 174-71.

## WIN STREAK

Whiteford will open the 2019 season with two long streaks intact.

The Bobcats have won 21 straight TCC games - going undefeated three straight seasons - and have won 27 consecutive regular season games, one shy of the Monroe County Region record.

The Bobcats went 14-0 in 2017 and won their first 10 games of 2018 for an overall winning streak of 24 games, longest by any school in Monroe County history.

## YEAR 47

2019 will be the 47th year of the TCC. Summerfield is the only league team to have played in all 46 previous seasons.

A timeline of TCC schools:

- Britton, Deerfield, Madison, Summerfield, Ann Arbor St. Thomas and Whitmore Lake were charter members of the TCC in 1973.
- Whiteford and Sand Creek joined the league in 1975.
- St. Thomas left the TCC after the 1975 season.
- Morenci joined the TCC for the 1981 season.
- Whitmore Lake did not field a team for

the 1981 season.

- Madison did not field a team for the 1993 season.
- Britton and Deerfield combined to form a co-op program in 1993 and became one high school in 2011.
- Clinton joined the TCC in 2007.
- Whitmore Lake left the TCC following the 2018-19 school year.
- Erie Mason will join the TCC for the 2020-21 school year, the same season Clinton leaves to return to the LCAA.

## ALL-STATE SNUB

For the first time in seven years and just the second time in 16 seasons, no Tri-County Conference player was named First Team All-State by the Associated Press in 2018.

The snub came despite four league players ending up as the all-time leading rusher or receiver in school history, one league team ranked among the top three teams in the AP poll all season and the league having three playoff teams in Whiteford, Clinton and Sand Creek.

Whiteford defensive tackle DeShaun Williams was named to the second team All-State squad, the highest of any TCC player. Williams had 54 tackles, one sack, 17.5 tackles for loss and recovered two fumbles for the Bobcats.

Making the honorable mention list was Whiteford running back Logan Murphy, Sand Creek lineman Jackson Marsh, Clinton lineman Connor Brodie, Britton Deerfield wide receiver Zac Clark and Sand Creek running back Alec Muck.

The last time the TCC didn't produce a First Team All-State player from the Associated Press was 2011. Before that, it hadn't happened since 2003.

## ALL-STAR MVPs

Both Monroe and Lenawee County post-season football all-star games included a host of TCC players in June, 2019, and players from the league took home individual honors in both games.

Hunter Lake of Whiteford was the West MVP of the 21st annual Monroe County All-Star game while Britton Deerfield's Zac Clark was the East MVP of the 3rd annual Lenawee County Senior Showcase All-Star game.

## TCC 2019 NON-CONFERENCE OPPONENT INFORMATION

### SEVERAL NEW OPPONENTS

#### DOT THE TCC SCHEDULE

The departure of Whitmore Lake from the Tri-County Conference has added a host of new schools to the schedules of league football teams.

All TCC schools will play three non-league games this season. That, combined with some shuffling of existing schedules, means the TCC will see a lot of new faces this season.

Some notes:

**Pittsford** will play three TCC schools this season - Morenci, Summerfield and Sand Creek. Pittsford has a rich football tradition, having made the playoffs 13 of the past 15 seasons, and went 7-3 last year.

The Wildcats are in the three-team Southern Central Athletic Association, along with Athens and Lenawee Christian.

**Lenawee Christian** will play Sand Creek in Week 2. It will be the first meeting between the two Lenawee County schools.

Britton Deerfield has replaced Lenawee Christian on its schedule with **Addison** of the Cascades Conference. Addison is coming off a 5-4 season.

Morenci will have by far the farthest trip of any TCC school this season when they travel to **Inland Lakes Indian River**, which is located just 30 miles from the Mackinac Bridge. It will be the battle of the Bulldogs as both schools have the same nickname. Indian River went 0-9 last season.

Whiteford will take on traditional powerhouse Schoolcraft in Week 3. It will be a doubleheader as the Junior Varsity and Varsity will both play on the same day in Ottawa Lake.

“Schoolcraft has always been a program that we have admired from afar,” said Jason Mensing, Whiteford’s football coach and athletic director. “We are very

excited to have the opportunity to play them as they have been one of the great small school programs in the state.”

“It’s a big-time game,” said Nathan Ferency, Schoolcraft’s football coach. “We are looking forward to going down there and playing. It will be a neat thing, something special for small-school football in Michigan.”

One of Schoolcraft’s non-league opponents is **Parchment**, who is new to Clinton’s schedule.

Summerfield will play **Stockbridge** for the first time. The Panthers are coming off back-to-back 1-8 seasons and play in the Greater Lansing Athletic Conference.

Sand Creek will open the season against **Quincy**. The Orioles, who have made the playoffs each of the past two seasons, have never played a Tri-County Conference school in football.

**Royal Oak Shrine Catholic** will have two games against TCC teams this year - Britton Deerfield and Madison. Madison will also play **Dearborn Advanced Technology**.

Because of construction work being done on the Madison press box, the first two home games for the Trojans will be played away from home. On September 6 Madison will host Royal Oak Shrine at Adrian College while Siena Heights University will be the home field for the September 13 game between Sand Creek and Madison.

### BLISSFIELD-SAND CREEK LOCKED IN FOR 10 YEARS

Blissfield and Sand Creek will be seeing plenty of one another in the future.

The Royals and Aggies will begin a 10-year run of playing in Week 2 of the prep football season starting in 2020.

Whiteford and Blissfield are in a similar 10-year contract to open the season as Week 1 opponents.

### TCC vs. LCAA

The Tri-County Conference and Lenawee County Athletic Association have been rival leagues for more than 40 years.

Several TCC and LCAA teams have historic rivalries. Morenci and Hudson, for example, have met every season that Morenci has been in the TCC.

Whiteford and Blissfield have opened up the season against each other for each of the past six years. Before that, the two squads met annually for much of the 1970s, 1980s and into the 1990s.

Interestingly, Sand Creek, Morenci and Clinton all left the LCAA to join the TCC at some point.

Britton Deerfield’s 42-28 win over LCAA champ Hudson in the 2013 playoffs was one of the TCC’s biggest wins over an LCAA team.

Some notes about the two leagues when facing each other head-to-head:

- The LCAA champion has faced a TCC opponent 34 times, winning 31 of them.

- The TCC champion has faced an LCAA opponent 48 times, with the TCC holding a 28-19-1 advantage.

- The TCC champion and LCAA champion have faced each other eight times all-time. Here are the results:

1982	Hudson 6, Morenci 2
1990	Clinton 17, Morenci 0*
1991	Sand Creek 14, Ida 12
2001	Morenci 26, Hudson 45 (Morenci win by forfeit)
2002	Erie Mason 42, Whitmore Lake 20
2004	Hudson 42, Sand Creek 0*
2005	Blissfield 16, Sand Creek 10
2010	Hudson 42, Summerfield 0
